Portfolio | LinkedIn | GitHub

Summary:

Computer Science graduate with strong fundamentals in HTML, CSS, and JavaScript, and hands-on experience building responsive frontend projects. Seeking a fresher web developer role to apply core skills and grow in a real-world development environment.

Skills:

- **Frontend Development:** HTML5, CSS3, JavaScript
- **Framework:** React JS, Tailwind CSS
- **Web Fundamentals:** Responsive design, DOM manipulation, browser debugging
- **Tools:** Git, GitHub, VS Code, Browser DevTools

Projects:

DayX Task Manager | HTML, CSS, JavaScript, Tailwind CSS, React JS

- Built a task management feature with date-range selection and calendar-based task tracking
- Implemented visual indicators for completed and remaining days within each task duration
- Created a separate calendar view per task and ensured data persistence across sessions

Portfolio Website | HTML, CSS, JavaScript, Tailwind CSS, React JS

- Developed a responsive personal portfolio to showcase projects and technical skills
- Implemented component-based layout and smooth navigation between sections
- Ensured consistent layout and usability across desktop and mobile devices

Rudra Biofarm Website | HTML, CSS, JavaScript

- Developed a multi-page organic products website with pricing tables and stock indicators
- Built separate product, about, cart, and contact pages with consistent navigation
- Implemented a custom add-to-cart UI using vanilla JavaScript and optimized mobile responsiveness

Professional Experience:

Logistics & Billing Executive

Aug 2021 - Oct 2025

Rudra Impex GmbH, Germany | Remote

- Worked in a structured, process-driven environment handling operational and financial records
- Ensured accuracy and consistency of shipment and billing data across systems
- Investigated discrepancies and coordinated resolutions within defined workflows
- Developed strong attention to detail, documentation discipline, and problem-solving skills

Education:

Bachelor of Technology in Computer Science & Engineering
Maharaja Agrasen University, Baddi

2018–2022

Languages: English, Hindi
